

## Employment Opportunity

### Water Facility Supervisor, Public Service Commission

(Permanent, Full-time)

#### WORK WITH US

*Bridgewater is a thriving town of more than 8,000 people, nestled in the heart of the historical LaHave River Valley. Known as the “Main Street of the South Shore”, Bridgewater offers numerous services and industries to its citizens and the Lunenburg County region. Good planning is essential to the town’s long-term health and sustainability as the community continues to develop and grow. Over the past decade, the Town of Bridgewater has emerged as an international leader in sustainability and energy transition planning and programming.*

*The Public Service Commission is a separate, corporate body, operating the water utility of the town, providing potable water for approximately 3100 customers and the fire protection through hydrants and sprinkler services. Customers exist both in town and in the county. The Commission employs five water operators who operate under the direction of the Water Facility Supervisor. The Town of Bridgewater is fortunate to have an excellent water supply, located in the Municipality of the District of Lunenburg, and through proper operation and management, will serve citizens of the town of Bridgewater future needs in a very cost-effective manner. The ample water supply is one reason why Bridgewater remains very attractive as a future growth area.*

*The Town of Bridgewater is committed to offering equal employment opportunities based on qualifications and performance, and free from discrimination because of age, race or ethnic origin, religion, sex, sexual orientation, disability, family status, gender identity, or other protected characteristics, in accordance with the Nova Scotia Human Rights Code. At the Town of Bridgewater, we strive to make our recruitment, assessment, and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities. If you require any accommodations at any point during the application and hiring process, please contact [Ashley.Chase@mjsb.ca](mailto:Ashley.Chase@mjsb.ca)*
