

# COPYRIGHT RELEASE

It is the policy of the Atlantic Canada Water and Wastewater Association (ACWWA) to safeguard all author-contributed works presented at ACWWA-sponsored programs by copyrighting them in the name of Atlantic Canada Water and Wastewater Association (ACWWA). To do so, ACWWA must obtain from speakers and authors (together termed "Authors"): 1) transfer of copyright ownership of all materials related to such presentations, and 2) prior approval from speakers to record, reproduce, and distribute audio/visual recordings of such presentations. Atlantic Canada Water and Wastewater Association (ACWWA) therefore respectfully requests the signature of all speakers and authors on this form.
