SPONSORSHIP OPPORTUNITIES

The Value of ALL Water

Halifax, Nova Scotia October 19-22, ACWWA 2014

EVENT OUTLINE

Atlantic Canada is blessed to have an abundance of fresh water sources. However this is something that should not be taken for granted. This year's conference theme is, *The Value of ALL Water*. What does *The Value of ALL Water* mean to you? Have you ever thought of the essential role that water plays in our daily lives? Some take for granted the quality and safety of tap water and few give much thought to the water that is flushed from our homes, businesses and factories. How we extract, use and return this valuable resource has a significant impact on our communities, the environment and the growing "Blue Economy". It is our job to teach today and tomorrow's generation, not the price of water, but its true value as an essential and irreplaceable asset.

SPONSORSHIP OPPORTUNITIES

The success of the conference is made in part by the generous support of local businesses and companies like yours. By becoming a sponsor, you'll be helping us to share the message of *The Value of ALL Water*. It is also your opportunity, beyond the Conference Sessions and Trade Show floor, to reach utility managers and operators, consultants, suppliers and other water and wastewater professionals in the industry.
