

SPONSORSHIP OPPORTUNITIES “Making Waves”

ACWWA Conference
October 4-6, 2015

EVENT OUTLINE

Our water and wastewater industry presents a wave of challenges that keeps us all engaged. As a community we come together to protect our environment, our resources, our infrastructure and our well-being. The ACWWA sets the stage for sharing information and experiences with the 2015 conference theme “Making Waves”. New technology, changing weather patterns and improved operating techniques are “Making Waves” for discussion and action in the water and wastewater sector.
