

Wastewater Treatment

Level I & II

February 6-9, 2023

Halifax, NS

COURSE SUMMARY:

This course will be offered as a combined Level I and II course with topics relevant to Wastewater Treatment.

It will provide operators with the basic knowledge of wastewater treatment plant components and treatment methods used with varying degrees of complexity.

The intermediate portion will cover all core areas of wastewater treatment including:

- Detailed treatment processes and systems
- Emerging technologies
- Mathematics
- Complex chlorine and chemical problem solving involving flow and filtration rate
- Enhanced safety components
- Troubleshooting tips
- Maintenance details
- Introductory management practices

It will cover a variety of practical applications for Atlantic Canada and is recommended for operations staff who maintain Level I and II facilities.

COURSE FORMAT:

This course is four days in length. Course manual and other material will be sent to the training facility for each attendee.

It is important to register early to ensure course manuals are ordered. Last minute cancellations and no shows will be responsible for the payment of the course manual. Manuals will be mailed out to those who are not in attendance after the course.

REGISTRATION INFORMATION:

Registration can be made by faxing or mailing the registration form on the reverse of this page, or on-line at www.acwwa.ca. For further information, please contact ACWWA Section Office at 902-434-6002.

COURSE LOCATION & TIME:

Registration is at 8:30 am at:
CBCL Limited
Suite 901, 1505 Barrington Street
Halifax, NS

Please fax or mail this form *at least 2 weeks prior* to the course.
Registrations can also be made on the ACWWA webpage at www.acwwa.ca
